HILTON HEAD ISLAND CHAMBER

PROUD MEMBER

Endorsed by:

ChamberofCommerce.com

SouthCarolina.com

HiltonHeadCVB.com

Directory Website for All Businesses and Non-Profits.

Every island business and approved non-profit will be listed regardless of joining or not. This is the first-ever virtual chamber – HHIChamber.com. No longer will you need to shell out a minimum \$345 annually to have your enterprise displayed as a Hilton Head Island business or non-profit on the worldwide web. This HHIChamber.com site is specifically focused toward helping make your business or non-profit more visible on the internet.

Tourism Companies.

A separate virtual HiltonHeadCVB.com website will display all tourism related businesses – from hotels and rental agencies to restaurants, attractions, wedding planners, media firms and vacation ownership companies. All will have free listings with capability to make updates and enhancements. The objective is eventually to become a Designated Marketing Organization (DMO) for Hilton Head Island and responsibly invest local Accommodations Tax dollars. This would be done with full transparency, led by tourism marketing professionals, not by attorneys, bankers, insurance managers and utility company executives.

Responsive Websites, Not Traditional Ones.

Each website is designed in a “Responsive” web design format – meaning they will be fully compatible with every web enabled device, including smartphones and tablets – a step above what any other local Chamber is doing. Incremental web traffic will be accessible to HHIChamber.com members drawn directly from our own sister websites: SouthCarolina.com and ChamberofCommerce.com.

The Advantage is Yours.

Contact us with any questions you may have. We will send you a free “Proud Member” window decal to post at your business, as well as a decal for your car with our HHI branding. Again, all businesses and non-profits are listed. No one excluded. Everything is virtual. No contact needed unless you want to receive free decals or a “Proud Member” HHIChamber.com business directory link to add to your website. We will be sending out additional benefits information to our members as they become available.
