WAKE UP. The Chamber's Hands are in *Your* Pockets!

It takes 1,000 plus members, who pay a minimum \$325 dues annually to support the CEO's \$350,000-\$400,000 salary and compensation package at our Hilton Head/Bluffton Chamber of Commerce. How many times do we have to shout this out before the Hilton Head & Bluffton community starts to wake up, take notice and care?

Our Chamber takes public tax dollars from the town and then refuses to open its books for full transparency. **What are they hiding?**

Please join our protest at StopChamberAbuse.com to help shine the light on our chamber so it will represent our community fairly! Send me an email at SpeakUp@StopChamberAbuse.com and tell me what you think.

Thank you for responding.
